

CONCURRING OPINION OF ACOBA, J.

I concur in the result, on the representation by the attorney general in oral argument that the ADLRO proceedings are open to the public and in the absence of a showing in this case that the sign-in procedure was unreasonable under the circumstances. However, I agree with Appellant that the Administrative Director of the Courts should establish a common, uniform procedure to be followed in driver revocation proceedings and that notice of such a procedure should be disseminated to the public. Such a request should be brought to his attention by counsel, in the absence of any evidence that the Director will not do so.
