1. Criminal cases filed in the Circuit Court Proper are felonies and misdemeanors. The latter type of case generally is transferred from the District Court when a jury trial is demanded by the defendant. Excluded are juvenile and adult cases which are under the jurisdiction of the Family Court. The data reflects only those criminal cases which were reported as disposed during the fiscal year and excludes those which are still pending disposition such as cases which are awaiting trial, cases which are awaiting sentencing, and cases on Deferred Acceptance of Guilty Plea status.

A case represents a defendant in a criminal case. Thus, if a criminal case which was initiated by an indictment names three defendants, for case counting purposes, this is reported as three criminal cases. When multiple offenses are involved, the most serious offense is selected and utilized for classification purposes.

2. **Offense Charged** represents the original offense named on the complaint or indictment. An offense may be amended by the prosecutor during progress of cases. Upon disposition of the case, the final offense may be the same as the offense charged, a lesser included offense, or one of the other offenses named on a complaint or indictment. The categories presented are those utilized by the Federal Bureau of Investigation (F.B.I.) in their annual series: **Uniform Crime Reports**.

For illustrative purposes, some examples of sentences meted by the courts are listed below.

A defendant convicted of two counts of burglary in the first degree was sentenced to (1) commitment in a correctional facility for a period of ten years and (2) a suspended sentence. The statistical reporting clerk selects "incarceration" as the sentence.

A defendant was acquitted of a charge of murder, but convicted of failure to register firearm and sentenced to probation for a period of five years. The clerk selects the probation sentence.

Sentences given to convicted defendants are authorized by statute. (HRS 706-605)

3. Criminal cases are **dismissed** for various reasons: the witness for the prosecution left the jurisdiction and thus was unavailable to testify, or the defendant was not given a speedy trial, or the defendant had successfully fulfilled the terms and conditions of the Deferred Acceptance of Guilty Plea, etc.

4. Defendants are **acquitted** by the jury or the judge after trial.

5. The judge may sentence a convicted defendant by suspending imposition of sentence. This sentence may or may not include payment of a fine or restitution.

6. A sentence of **fine** may also include restitution, but excludes cases where the defendant is also sentenced to incarceration or probation.

7. A sentence of **incarceration** in the case of a defendant convicted of a felony offense is to confinement in a community correctional facility (prison) for a period of five years or longer. This sentence may include payment of a fine or restitution. If a defendant is convicted of a misdemeanor offense, he/she is sentenced to confinement in a community correctional facility for a period up to one year.

8. **Probation** as a sentence may include payment of a fine, or restitution, or community service. In addition, a person sentenced to probation may also be ordered to serve up to one year in a correctional facility as a condition of probation for a felony offense and up to six months for a misdemeanor offense.

9. **Community Service** is an alternative provided by statute. The court shall not sentence a person only to perform community service unless "it is of the opinion that such services alone suffice for the protection of the public."

10. **Other disposition** includes a sentence other than sentence suspended, fine, incarceration, probation or community service.

11. **Transferred** is not a final disposition. This disposition occurs if a defendant requests and is granted a change of venue. Proceedings are then transferred to another judicial circuit.

12. **Remanded** cases are those where the defendants initially requested jury trial. The cases were referred back to the District Court for action and disposition.

1. Case-based reporting: A criminal traffic case involving multiple offenses is counted as one case, and the most serious offense is selected for classification purposes. For example, a case involving a felony offense and one or more misdemeanor offenses is reported as one felony case.

2. Reopened case: A case in which judgment has previously been entered but which has been restored to the court's pending caseload due to the filing of a request to modify or enforce the existing judgment. When the reopened case is disposed of, the case is reported in the Dispositions column labeled Reopened.

3. Inactive case: A case is placed on inactive status if the defendant has absconded, an arrest order has been issued, and the court has suspended activity until the defendant is apprehended. A case on inactive status is Reactivated when the court resumes activity on that case.

Calculating Pending Caseloads:

Begin Pending (Active) + New Filing + Reopened + Reactivated - Entry of Judgment - Reopened Dispositions - Placed on Inactive Status = End Pending (Active).

Begin Pending (Inactive) - Reactivated + Placed on Inactive Status = End Pending (Inactive).

Changes in Report Format:

The Caseload Summary Matrix is based on the latest State Court Guide to Statistical Reporting published by the National Center for State Courts.
