

CONCURRING OPINION BY NAKAMURA, J.

I concur in the result. However, I suggest that the trial court's final judgment may be affirmed by allowing the reformation of the Trust provisions so that they conform with Annie Lock's intent on the ground that she, or the drafter of the Trust, made a unilateral mistake. See 90 C.J.S. Trusts § 95; cmt. e, Restatement (Second) of Trusts § 333 (1959).
