

DISSENTING OPINION BY ACOBA, J.

In line with my dissent in Freitas v. Admin. Dir. of Courts, 108 Hawai'i 31, 58, 116 P.3d 673, 700 (2005) (Acoba, J., dissenting as to Part III), I would hold that the "[Administrative Driver's License Revocation Office] hearings [should] be open to the public without the requirement of [identification] and sign-in restrictions and that recommendations of the [Department of Public Service] as are appropriate [with respect to security] be implemented."

A handwritten signature in black ink, appearing to read "J. Acoba", is written in a cursive style.
